

Warranty Statement

Standing behind our product

All LED based lighting products supplied by Hella Marine carry a **5-Year Warranty** from end user purchase covering faults in materials, components or workmanship, with the exceptions as stated below:

- NaviLED TRIO Tri Colour LED navigation lamps carry a **7-Year Warranty**
- Bulb based lamps, and products in the accessories section, carry a 1-Year Warranty.

In the unlikely event that you should experience a confirmed warranty related problem with your purchase, Hella will, at its discretion, either repair, replace or refund the purchase price of the product.

Warranty services may be obtained by returning the product within the warranty period to the Hella Dealer where the product was originally purchased.

This warranty is in addition to and does not preclude any other rights or remedies available to the consumer under any local legislation related to the provision of goods or services.

Our goods come with guarantees that cannot be excluded under the Australian Consumer Law. You are entitled to a replacement or refund for a major failure and for compensation for any other reasonably foreseeable loss or damage. You are also entitled to have the goods repaired or replaced if the goods fail to be of acceptable quality and the failure does not amount to a major failure.

This warranty does not cover:

1. Claims as a result of normal wear and tear or of any modifications and/or alterations to the product
in any shape or form.
2. Claims as a result of non-compliance of the assembly, service and operating instructions and/or any
unfit or improper use.
3. Any expenses incurred in the process of making the claim.
