BUCKETS

STAINLESS STEEL HARDWARE

marine-grade, and chrome-dipped for extra protection against corrosion

NON-MARKING/ NON-SKID RUBBER

feet and side handles provide excellent grip and traction on both wet and dry surfaces

WIDENED BASE

8% wider than average bucket to reduce the likelihood of tip over

100% MADE IN THE USA

LIFETIME GUARANTEE

'SPAGHETTI POT' SIDE HANDLES

not only aid in maneuverability, but allow buckets to be stacked without vapor lock (buckets won't get stuck together)

ELEVATING BUCKET FEET

extend 3/8ths inch past bottom of bucket to allow water and air to move underneath (*no need to move bucket to clean underneath/allows surfaces to dry under buckets*)

MADE OF

SPRY TECH™

a proprietary blend of performance polymers

STRUCTURAL RIB SYSTEM

enhances the dimensional stability of the bucket floor, providing added protection to bucket body from impacts and drops

SCALLOPED FINGER INDENTS

built into feet and side handles to offer better control of product during use
