

12 WATT

35 WATT

12 / 35 WATT ULTRA THIN, FULLY SEALED 1200 / 4800 LUMEN IP65 FLOOD

LLB-366N-x1-x0 / LLB-36MN-x1-x0

The newest generation Lunasea LED flood light is both bright and ultra thin. Available in both 12W and 35W. Sleek design fits anywhere while offering bright soft light output with a color rendering of >80CRI. Beam angle of 110 degree great for area lighting. Includes Stainless Bracket and Hardware, Tempered Glass, Breather Valve, completely sealed without the use of gaskets. Bright meets beautiful.

SPECIFICATIONS

Enclosure: Aluminum / White Urethane
Stainless Bracket & Hardware

LLB-366N-81-00

Power: 12 Watt
Voltage Range: 12/24VDC
Output: 1300 Lumen, 4000K, >80CRI
Dimensions: 130 (5.1") W x 91 (3.6") H x 28 (1.1") D

LLB-366N-31-10

Power: 12 Watt
Voltage Range: 120VAC (108-132VAC - 60Hz)
Output: 1200 Lumen, 4000K, >80CRI
Dimensions: 130 (5.1") W x 91 (3.6") H x 28 (1.1") D
Certification: UL / cUL E344519

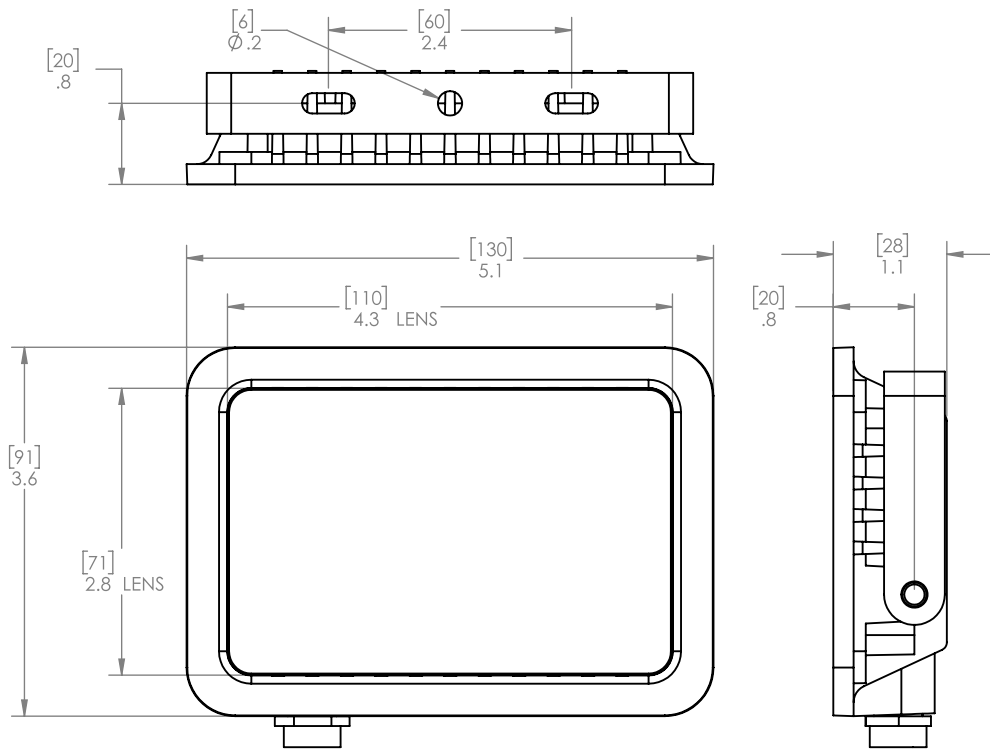

LLB-36MN-81-00

Power: 35 Watt
Voltage Range: 12/24VDC
Output: 4800 Lumen, 5700K, >80CRI
Dimensions: 211 (8.3") W x 165 (6.5") H x 39 (1.5") D

LLB-36MN-41-00

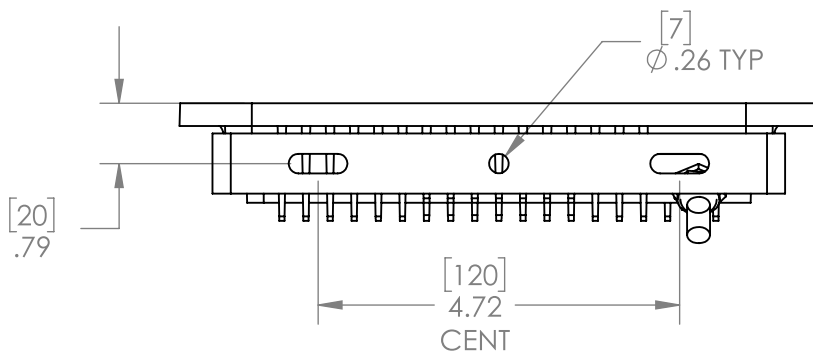

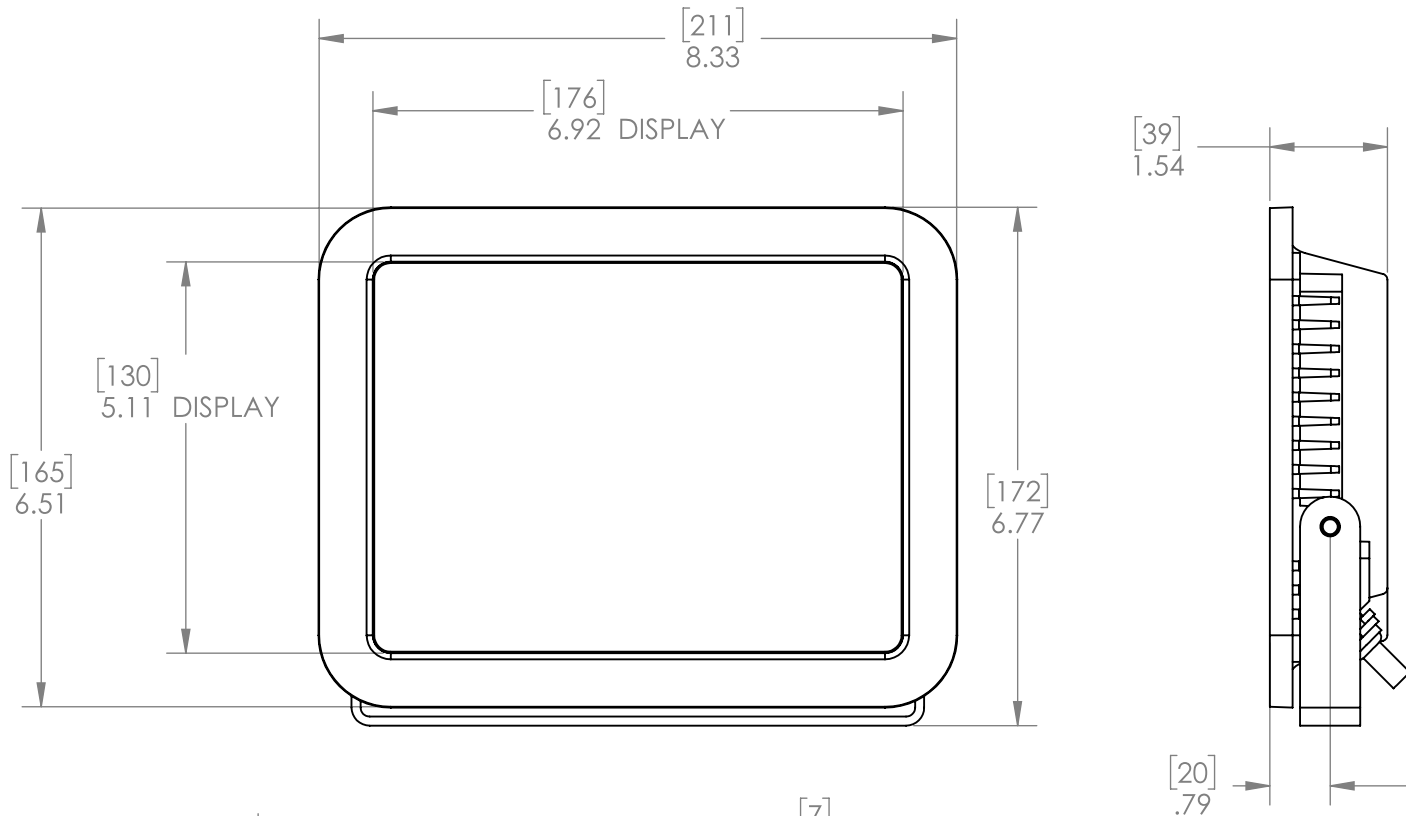

Power: 35 Watt
Voltage Range: 120/240VAC (108-264VAC - 50/60Hz)
Output: 4500 Lumen, 5700K, >80CRI
Dimensions: 211 (8.3") W x 165 (6.5") H x 39 (1.5") D
