

UNIVERSAL SWIFT WATER RESCUE VEST (MRV150 02)

MUSTANG SURVIVAL WE SAVE LIVES FOR A LIVING

The Universal Swift Water Rescue Vest is a high buoyancy (25lbs) USCG approved Type V SAR PFD. The MRV150 02 has been developed with ongoing feedback from the water rescue community and was designed specifically to meet the Personal Protective Equipment (PPE) needs of rescue professionals facing the challenges of swift water. With an easy to adjust donning system and layered flotation foam, this vest provides a comfortable and secure fit, which improves operational performance both in and out of the water.

USCG APPROVED
