## REMOVABLE BOAT BOARDING ASSIST HANDLE

### Installation and Removal Instructions

**Installation:** Slide the **EZ Board** handle into the rod holder until the locating pin engages the **EZ Board** slots. Rotate the handle to the right or left to lock in place. Both ends of the **EZ Board** handle are slotted for ease and convenience. Simply adjust the orientation of the handle to achieve the optimal position for boarding and balance.

**Removal:** Rotate the handle until the rod holder pin aligns with the **EZ Board** slot, then pull out to remove.

**Do not force the EZ Board handle to install or remove.**
