

EDGE™

STAY SHARP.

Over two years in the making and countless hours of research and development has led to a tackle storage system that solves every major problem anglers encounter. Every feature on Plano's new EDGE™ series is part of a well thought out system to help you be a better angler. With a family of 18 boxes offering both general purpose and specialized storage that fit into the current Plano sizing system, they will prolong the life of your tackle and give you an edge on the water. One quick glance shows these tackle boxes are different. Look closer and you'll find they're not only different – they're better in every way possible.

1 WATER WICK™

A reusable desiccant pack is contained within a customizable divider in the box, wicking away any trace of moisture.

2 EZ LABEL™

Quickly identify the contents of stacked boxes with the customizable, non-permanent EZ Label™ system.

3 DRI-LOC® SEAL

Dri-Loc® O-ring seal makes the box completely waterproof and airtight.

4 CRANKBAIT CATCHER™

Soft, flexible fingers on the base of these boxes secure treble hooks safely and easily.

4 RUSTRICTOR™ INFUSED

Rustrictor technology delivers 360° of protection by infusing the entire box with leading rust preventative

6 DURAVIEW™ CRYSTAL-CLEAR POLYCARBONATE LID

7 ONE-HANDED LATCH DESIGN

8 VENTED AIRFLOW® DIVIDERS

9 RECESSED DIVIDERS

10 RIBBED BASE AND LID

11 STEEL PIN HINGES

12 STACKABLE LIDS AND BASES

FLEX™

Make it your own. The EDGE Flex Series adds ultimate versatility to Plano's popular EDGE boxes. Every EDGE Flex tackle box includes a fully customizable internal system plus all the bells and whistles from the standard EDGE line.
