

## DESCRIPTION:

Presta Marine Hull & Deck Cleaner is a powerful cleaner and degreaser designed for flat and non-skid surfaces. This highly concentrated, non-caustic and aluminum-safe cleaner removes dirt, grease stains and streaks from fiberglass, metal and painted surfaces.

## DIRECTIONS:

- For heavy accumulations of dirt, grease or oil, dilute Hull & Deck Cleaner 1:1 with clean tap water. For general purpose cleaning, dilute Hull & Deck Cleaner 1:3.
- Spray product onto soiled surfaces, let stand for 3-5 minutes and rinse with clean water.
- For heavy cleaning, wipe or scrub surface prior to rinsing.
