# II SIROCCO II ELITE

Premium design with stainless steel grill and centre badge

Gimbaled design for 360° directional airflow with 4 speeds

Auto shutoff with 4 timer settings of 3, 6, 9 or 12 hours

The Sirocco II *Elite* is the world's first brushless DC cabin fan. Compared to the Sirocco II and other fans with conventional motors, the *Elite's* motor is designed to last up to four times as long. In addition to exceptional longevity, the fan offers an unmatched combination of build quality, airflow, whisper-quiet operation, and a four year warranty. Beyond performance, the attractively designed *Elite* will make a statement of sophistication in any galley, salon, or stateroom.
