

## Ultimate DC Cabin Fan

**Industry recognized and a long time favorite of sailors!**

The model 757 Ultimate fan is the direct wire version of the Ultimate 747 which is recognized by *Practical Sailor* magazine as a "Best Buy" in the marine market.

It features a patented FingerSafe™ blade that does not require a protective grill and has a shock-absorbing leading edge that flexes when it is stopped.

The resulting maximum airflow makes the 757 Ultimate the top choice for sailors heading to hot, humid climates.
