

OVERHEAD LIGHTING  
**DLXS Series**

• 300 Lumens

► **DESCRIPTION**

The Shadow-Caster™ Large Down Light (SCM-DLXS) is perfect for lighting overhead areas of the interior and exterior of your boat or yacht. At 3" (76mm) overall diameter, its wide angle spread of light and all-glass reveal makes this the ideal light for T-Tops, cabins, towers and more. The SCM-DLXS series is available in 3 light output choices: warm white, cool white and bimini blue. The DLXS series light comes standard with a white window and white housing. Contact us for custom window and housing options.
